

ORANGE GROVE INDEPENDENT SCHOOL DISTRICT

October 2, 2009

As of Friday, October 2, Orange Grove ISD has experienced a total of 3 confirmed cases of H1N1 or Swine flu.

Our attendance rates at each campus remain fairly close to normal. School will continue as usual unless the number of absent students reaches an extraordinarily high level.

Our school nurses, teachers, administrators and support staff continue to monitor the well being of our students. All schools continue to take extra precautions in cleaning on a regular basis to maintain a healthy environment.

We are following the Center for Disease Control guidelines. Students may return to school when they are fever free for twenty-four hours without benefit of medication.

Please contact your child's school nurse or Principal if you have any questions or concerns.

Sincerely,

Lynn Burton, Superintendent of Schools  
Orange Grove Independent School District
